## Annual Report 2018 1st Published Annual Report

**Mission:** PATH Coalition of Kentucky provides awareness of human trafficking and support to survivors of human trafficking.

**Vision:** PATH Coalition of Kentucky believes in reducing the number of individuals who are trapped in human trafficking.

The People Against Trafficking Humans Coalition of KY (**PATH**) is proud to present our 2018 Annual Report. This is our first annual report since we received our 501 c 3 status in October 2015. We have transitioned to a legal entity and now plan to move forward with a strategic planning process in the next year under the guidance of the Center for Non-Profit Excellence. But, first, it is important to reflect on the history of PATH. That story has critical components that bear stating in this report.

As a result of the Leadership Conference of Women Religious Region 6 and the women religious in the Louisville geographic region an initial prayer service was held in May 2013 to bring awareness to the crime of human trafficking. This public prayer service was repeated in 2014 and following that event, members and associates of Sisters of Charity of Nazareth, Ursuline Sisters of Louisville, and Dominican Sisters of Peace began meeting on a permanent basis on May 28, 2014 at Brescia Hall on the Ursuline Campus Lexington Road,

Louisville KY. The 6th Annual Prayer Vigil was held in May 2018 in downtown Louisville, KY.

The results of those monthly meetings produced numerous public education and media presentations, a public billboard opposing human trafficking, presentations at multiple local and national conferences, travel to 6 safe houses serving trafficked victims, development of 2 education modules for the community, hiring of a part time program coordinator, and marketing materials including a published web site.

PATH is in a time of growth and preparation for an exciting future to take head-on the crime of human trafficking exploitation of human rights through sex or labor. We value the foundation of our organization and the mission-driven process that we are building. We desire to become an effective non-profit worthy of those roots.

Thank you for believing in us and our purpose.
